SUMMARY

The original bill requires manufacturers of beverage products to register with the State and identify who will initiate the deposit and collect the empty containers. The bill also increases penalties to \$100 for each container and \$25,000 for each tender of containers for those who knowingly return empty containers not originally sold in the State.

COMMITTEE AMENDMENT "A" (H-839) removes the registration provision of the bill and substitutes a complaint procedure through the Department of Agriculture, Food and Rural Resources. It also increases to \$1,000 the penalty for persons who fail to fulfill their statutory obligation to pick up beverage containers.

SENATE AMENDMENT "A" TO COMMITTEE AMENDMENT "A" (S-605) removes the complaint procedure and the increase in the pick-up penalty from the committee amendment. It also removes the appropriation section and replaces the fiscal note.

HOUSE AMENDMENT "A" TO COMMITTEE AMENDMENT "A" (H-932) amends the committee amendment by requiring that the committee member from the Office of Attorney General be appointed by the Attorney General.

**LD 1902 An Act Regarding Registration for the Provision of
Substance Abuse Counseling Services**

COMMITTEE REPORT

AMENDMENTS ADOPTED
S-479

SUMMARY

Under current law, a person may not profess to be a substance abuse counselor and practice substance abuse counseling unless licensed as a substance abuse counselor, except that other licensed counseling professionals may provide substance abuse counseling if they do not profess to be providing the primary service of substance abuse counseling.

The original bill added licensed professionals in the fields of medicine, nursing and social work to the list of those who could practice substance abuse counseling, restated the term "counseling professional" to read "licensed person in the field of professional counseling" and added the provision that a person in any of these excepted professions must be qualified by virtue of the requirements of the profession.

COMMITTEE AMENDMENT "A" (S-479) adds psychology to the list of excepted professions, allows the practice of substance abuse counseling by the excepted professionals as long as substance abuse counseling is not the sole practice of the excepted professionals and prohibits the requiring of additional certification in order for these excepted professionals to practice substance abuse counseling.
