An Act to Extend Penalty Sanctions to Employee Health Benefit Plans

PUBLIC 648

COMMITTEE REPORT
OTP-AM

AMENDMENTS ADOPTED
S-563

SUMMARY

This bill provides penalties for violations of laws governing employee health benefit plans. The law currently provides penalties for violations of the law pertaining to time of payment, cessation of employment, equal pay and unfair agreements. These penalties are attorney's fees, court costs, interest and liquidated damages. This bill extends these same penalties to violations of the law pertaining to employee health benefit plans.

COMMITTEE AMENDMENT "B" (S-563) provides for the same penalties as in the original bill except that liquidated damages are not available in actions for unpaid health benefits. The amendment also adds a fiscal note to the bill.

LD 1847 An Act Concerning Agency Service Fees

COMMITTEE REPORT

AMENDMENTS ADOPTED

SUMMARY

This bill would have required that a public employer make the payment of union membership dues or agency service fees a condition of employment. An employee who is not a member of the union would be required to pay an agency service fee to the union, but the bill specifies that the cost of activities not germane to collective bargaining and grievance administration could not be included in the calculation of the fee. The bill also would have provided the procedural safeguards required to protect the First Amendment rights of the nonmember as presented by the United State Supreme Court in Chicago Teachers Union v. Hudson, 475 U.S. 292 (1986).

COMMITTEE REPORT
OTP-AM

AMENDMENTS ADOPTED
S-489

SUMMARY

This bill requires the Maine Youth Apprenticeship Program to develop an option for eligible students to enter a registered apprenticeship program either during or at the conclusion of the student's formal education requirements under the Maine Youth Apprenticeship Program. The bill also requires the Department of Labor to adjust the fund allocation formula for the State's private industry councils to provide a financial incentive to increase registered apprenticeship placements within the Maine Job Training System. The Department of Labor is required to inform job training applicants about registered apprenticeship programs and to work with the Maine Apprenticeship and Training Council to see if a registered apprenticeship program can be established for an interested applicant. The bill also clarifies the use of the term "apprenticeship" in the Maine Revised Statutes by referring to "registered apprenticeship" wherever reference is made to an apprenticeship program registered with the Maine Apprenticeship and Training Council.

COMMITTEE AMENDMENT "A" (S-489) removes the sections of the bill that affect the Maine Youth Apprenticeship Program and the distribution of funds under the State's Job Training Partnership Act program. The amendment also removes unnecessary language concerning the Maine Job Training System and
