It reinstates the Driver Education and Evaluation Programs Board of Appeals within the Office of Substance Abuse.

It clarifies the Driver Education and Evaluation Programs definition of "alcohol-related or drug-related motor vehicle incident."

It allows first offenders who have enrolled in Driver Education and Evaluation Programs to be eligible for a special license after expiration of the total period of suspension if they have attended 3 treatment counseling sessions from a counselor or agency approved by the Office of Substance Abuse.

COMMITTEE AMENDMENT A (H-869) clarifies which other drugs become aggravating factors under the bill. Under current law, a first offender of an alcohol-related driving offense is treated like a subsequent offender when the case includes an aggravating factor. The original bill added as an aggravating factor the presence of a drug in a blood or urine test. The amendment clarifies that the drug must be a scheduled drug. The amendment also adds a fiscal note to the bill and conforms existing law to current drafting standards.
