H-870

SUMMARY

This bill adds to the responsibilities of the Superintendent of the Pineland Center oversight of all mental retardation services in community settings.

COMMITTEE AMENDMENT A (H-870) adds an emergency preamble and emergency clause and a fiscal note to the bill. It also requires the Department of Mental Health and Mental Retardation to submit legislation by December 1, 1994 recommending a management structure that more appropriately reflects the changing balance between institutional and community-based services within the department.
