This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. SUMMARY

This bill gives purchasers of dogs and cats a recourse when the animal they purchase from a pet dealer is either ill at the time of the purchase or dies within a year of the purchase due to a disease, an illness or a congenital or hereditary condition. The bill also describes the purchasers' rights and the dealers' rights and makes any violation of this law a Class E crime.

The Committee requested by letter that the Animal Welfare Advisory Committee study this issue and report back to the Committee.

SUMMARY

This bill allows nonrefillable containers from exclusive distributorships to have their refund value and the state identification indicated by stickers.

COMMITTEE AMENDMENT "A" (S-210) qualifies the provision in the bill by stating that stickers may be used only on bottles not otherwise marked. The amendment also requires redemption centers to accept containers with either form of marking.

COMMITTEE REPORT

AMENDMENTS ADOPTED
S-65
S-87 CARPENTER

SUMMARY

This bill allows plumbers and electricians to install and do the wiring on water pumps and water heaters.

COMMITTEE AMENDMENT "A" (S-65) eliminates electricians from the bill and adds pump installers. This amendment limits the authority of plumbers to the disconnection and connection of wiring required in pump and heater replacement in residential properties and limits the authority of pump installers to pump replacement.

SENATE AMENDMENT "A" TO COMMITTEE AMENDMENT "A" (S-87) corrects a technical error.
