**SUMMARY OF LEGISLATION BEFORE
THE JOINT STANDING COMMITTEES**

AUGUST 1995

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. Various categories of final action are abbreviated as follows:

<i>CARRIED OVER</i>	<i>Bill carried over to Second Session</i>

issued, the parties get a final opportunity to negotiate a settlement. If the parties fail to settle within 10 days, the bill would have provided that the arbitrators' rulings are binding on both parties for all issues submitted. In a letter dated April 28, 1995, the Attorney General indicated that a similar bill, LD 537, would be a municipal mandate under Article IX, Section 21 of the Maine Constitution.

LD 95 **An Act to Clarify Liability of Employers of Domestic Employees Regarding Workers' Compensation** ONTP

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
RUHLIN	ONTP	

SUMMARY

This bill would have excluded a person engaged in domestic service from the definition of "employee" in the Maine Workers' Compensation Act. The committee was informed that such an exemption is already provided in 39-A MRSA §401(1)(A).

LD 121 **An Act to Make the Workers' Compensation Laws for Temporary Employees Consistent with Those Laws for Permanent Employees** PUBLIC 297

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
CAMPBELL	OTP-AM	H-401

SUMMARY

Under current case law, if an employer uses an employee who is technically employed by someone else, such as a temporary help service, that employer is entitled to the immunity granted under the workers' compensation laws. This bill is intended to spell out this application of the employer's immunity in the workers' compensation statute.

COMMITTEE AMENDMENT "A" (H-401) clarifies that the immunity applies only if the temporary service agency has obtained workers' compensation coverage. The amendment also clarifies that the immunity only applies when the loaned employee is under the direction and control of the 3rd party. The amendment also adds a fiscal note to the bill.

SUMMARY

This bill would have allowed the heirs or the estate of an employee to bring an action for wrongful death against an employer who intentionally requires an employee to work when the employer knows that there is a risk of serious bodily injury or death.
