LD 115	An Act to Require Insurance Companies to Provide Loss	PUBLIC 71
	Information to Insured Groups	

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
 CAMPBELL	OTP-AM	H_91

SUMMARY

This bill requires insurance companies and health maintenance organizations (HMO's) to provide loss information to group policyholders upon request. Currently, insurance companies and HMO's are not required by law to disclose loss information, although some may provide this information to groups of more than 50 persons.

COMMITTEE AMENDMENT "A" (H-91) replaces the original bill. The amendment clarifies the definition of "loss information" by requiring the aggregate claims experience for the group, rather than claim-specific information contrary to statutory confidentiality provisions. It requires insurers to provide loss information to insured groups upon written request twice over the duration of the group policy or contract: once, after the policy has been in effect for 6 months; and again, 60 days prior to renewal of the policy. Insurers are not required to provide loss information to groups with fewer than 25 members.
