Amendments Adopted  
H-746

LD 134, a bill carried over from the First Regular Session, proposed to exempt small businesses with fewer than 5 employees or with a net income of less than \$15,000 from the fees collected by the Department of Human Services for deposit into the Public Drinking Water Fund. The original title of the bill was “An Act to Exempt Certain Small Businesses from Paying the Annual Fee to the Public Drinking Water Fund.”

**Committee Amendment "A" (H-746)** is the Majority Report. It replaced the bill and substituted a new title. It proposed to replace the requirement that the Maine Public Drinking Water Commission members be employed by certain drinking water systems with a requirement that they be associated with those same systems. In the provision on duties of the commission, it would have changed the duty of determining program effort to a duty to evaluate program effort and would have changed the standard of performing the duty of determining funding share for each type of public water system from a reflection of program effort to one that recognizes the level of program effort. It would have deleted provisions on the collection of fees by drinking water systems that require the Drinking Water Fund fees to be separately identified on the customer’s bill. It proposed to change the base fee to no more than \$50 and retain the base plus per capita maximum fee at \$30,000 per year.
