S-91**SUMMARY**

This bill requires the use of safety seat belts by motor vehicle operators and passengers 4 years of age or older.

COMMITTEE AMENDMENT "A" (S-91) is the majority report of the Joint Standing Committee on Transportation. This amendment clarifies that the operator of a vehicle is charged when a violation of seat belt provisions occurs. It creates an exemption for a person with a medical condition that precludes wearing a seat belt. It limits the fine to a maximum of \$50 for a violation of the seat belt provision. This amendment also adds a fiscal note to the bill.

HOUSE AMENDMENT "A" (H-181) adds a referendum provision to the bill.

SENATE AMENDMENT "A" TO COMMITTEE AMENDMENT "A" (S-135) adds a provision allowing enforcement of the mandatory seat belt provision for persons 4 years of age and over only when a vehicle is stopped for a suspected violation of another law.

H-239

SUMMARY

This bill doubles the amount of the fine normally imposed for a traffic infraction committed in a construction or maintenance area of a public way.

COMMITTEE AMENDMENT "A" (H-239) gives the Executive Director of the Maine Turnpike Authority the authority to restrict the speed limit on any portion of the turnpike under construction or maintenance. The amendment specifies that to enforce the reduced speed limits the signs must be standard black and white speed limit signs. It clarifies that a fine imposed for a speeding violation within a construction or maintenance area is double the fine normally imposed for a similar speeding violation in a nonconstruction area. It also adds an emergency preamble, an emergency clause and a fiscal note to the bill.
