#### SUMMARY OF LEGISLATION BEFORE THE JOINT STANDING COMMITTEES

#### AUGUST 1995

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, <u>History and Final Disposition of Legislative Documents</u>, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. Various categories of final action are abbreviated as follows:

#### **SUMMARY**

This bill directs the Secretary of State to make available organ donor decals to be affixed to a driver's license to indicate a willingness to make an anatomical gift. Currently, a licensee can make a declaration of an anatomical gift and be issued a donor card and pouch to carry with a driver's license.

COMMITTEE AMENDMENT "A" (H-60) requires the Secretary of State to provide organ donor decals at no additional fee. The statement regarding willingness to make a gift is to be printed on the decal. It also allows the Secretary of State to continue to use decals already printed. The amendment also adds a fiscal note to the bill.
