This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. Various categories of final action are abbreviated as follows:

H-172**SUMMARY**

Under current law, the liability of shareholders for the debts of and claims against professional corporations arising out of the rendering of professional service extends to those shareholders participating in a professional capacity in such rendering. This bill changes the law governing liability in such situations to extend liability to those shareholders who personally and directly participate, supervise or control another person who directly or personally participates in rendering the service that is negligently performed or is in breach of a legal duty.

COMMITTEE AMENDMENT "A" (H-172) replaces the bill, and rewrites the liability section of the Professional Service Corporation Act to clearly state the effect the Act has on the relationship between the provider and the recipient of professional service, the liability for the debts of and claims against the professional service corporation and the liability of shareholders when there is a claim that professional service was rendered negligently or in breach of any other legal duty.
