THE JOINT STANDING COMMITTEES**

AUGUST 1995

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. Various categories of final action are abbreviated as follows:

AMENDMENTS ADOPTED

SUMMARY

This bill would have changed the restrictions on who may accompany a person operating a motor vehicle on an instruction permit. A person other than the permittee's spouse, parent or legal guardian must have held a driver's license for the preceding 2 years and may not have had a "major" motor vehicle violation during that 2-year period. Major motor vehicle violations include violations with a mandatory license suspension and violations that are used to define an habitual offender.

The bill would have established an intermediate license for 16-year olds and 17-year olds. An intermediate licensee would have been prohibited from driving between the hours of 12:00 midnight and 5:00 a.m. unless accompanied by a parent, a legal guardian or a licensed driver 18 years of age or over with 2 years' driving experience and without a "major" motor vehicle violation during that 2-year period. The bill included provisions for a waiver of the nighttime restriction when an activity or employment necessitates that waiver.
