LD 429 An Act to Amend Real Estate Appraisal Licensing and Certification Laws

S-158**SUMMARY**

Current law defines appraisal as an analysis or opinion of the value of real estate. The current law allows real estate licensees to provide appraisals and opinions of market value other than those involving federally related transactions. This bill eliminates the ability to perform appraisals and adds the ability to perform evaluations. Opinions of market value and evaluations are not defined.

COMMITTEE AMENDMENT "A" (S-158) restricts to real estate brokers and associate brokers the ability to provide appraisals and opinions of market value other than those involving federally related transactions. It requires that an allowed opinion include a statement that it is only for the purpose for which prepared and that it may not comply with appraisal standards.

The original bill called for adding a 2nd public member to the 7-member board. This amendment deletes that provision.

The original bill moved from 1995 to 1996 the deadline for appraisers to obtain the required 2 years' experience. This amendment extends this deadline until 1997.

Finally, the amendment adds a conflict of interest provision that prohibits real estate brokers from offering an opinion of value when the broker or any licensee with the broker's agency is to receive a fee.

LD 457 An Act to Require Latch-open Devices at Self-service Gasoline Stations

ONTP

SPONSOR(S)
BENEDIKT**COMMITTEE REPORT**
ONTP**AMENDMENTS ADOPTED****SUMMARY**

This bill requires that gas stations with only self-service pumping or with self-service pumping at a lower price than full-service must have at least one pump with a latch-open device. This is a device that allows the person pumping the gas to latch the pump open so that it is unnecessary to manually hold it open.

By letter the Committee asked the industry to attempt to assist the handicapped in their use of self-serve gasoline pumps.
