This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

SUMMARY

This bill prohibits the State from contributing to benefits for Legislators on or after December 1, 1996. Legislators may still participate in the Maine State Retirement System health plan by paying the full premium. This bill requires the State to pay a portion of the premium for an otherwise eligible retiree from the Legislature as long as that Legislator retires before December 1, 1996 or is eligible for the payment due to other state service.

This bill retains all of the provisions of the Maine Legislative Retirement System except that creditable service may not be earned for service after November 30, 1996. This allows current and future legislative retirees to receive a retirement allowance based on any creditable service up to December 1, 1996. Death benefits after November 30, 1996 are limited to the Legislator's accumulated contributions. Death benefits are unchanged for a former Legislator receiving a disability retirement allowance as of December 1, 1996. A cost-of-living adjustment may not be made to any legislative retirement allowance after November 30, 1996.

LD 483 which would eliminate the Legislative Retirement System was carried over by the Labor Committee.
