**An Act Establishing Procedures for New Political Parties to Participate in Primary Elections**

<b>SPONSOR(S)</b>	<b>COMMITTEE REPORT</b>		<b>AMENDMENTS ADOPTED</b>

**SUMMARY**

This bill would have established a procedure for 3rd parties to qualify for primaries in legislative districts and for subsequent primaries and general elections. A party would have qualified for a primary in a legislative district if its candidate in the preceding general election received at least 15% of the vote in that district and had declared intent to qualify the party before that election. The bill would have also provided requirements for municipal caucuses and statewide conventions for 3rd parties.

The minority COMMITTEE AMENDMENT "A" (H-522) would have replaced the bill. It would have changed the requirements that a new party must meet in order to be a qualified party. Under current law the party must poll at least 5% of the total votes cast in each presidential and gubernatorial election in order to become and remain qualified. Under the amendment, that party would have had to poll 5% of the total votes cast in either of the last two preceding general elections. The purpose of the change would have been to remove the disadvantage to new parties who do not run both gubernatorial and presidential candidates. The new party would have also been required to hold a state convention and at least one municipal caucus in each county. The amendment also would have added a fiscal note and mandate preamble to the bill.

**SUMMARY**

This bill exempted mobile home parks that are open and operated only on a seasonal basis from state mobile home park regulation under the Maine Revised Statutes, Title 10, chapters 951 and 953.

HOUSE AMENDMENT "D" (H-560) replaced the bill and required that the Manufactured Housing Board accept as compliance with its rules, documentation submitted by a seasonal mobile home park that substantially similar provisions regarding matters of safety required by another government agency had been met. The amendment would have also clarified that the stricter standard applies.

COMMITTEE AMENDMENT "A" (H-142) would have provided that mobile home parks that are operated only for migratory laborers on a seasonal basis are exempt from regulation under the Maine Revised Statutes, Title 10, chapters 951 and 953. It would have also added a fiscal note to the bill. (Not adopted)

HOUSE AMENDMENT "A" (H-446) would have required that the Manufactured Housing Board accept as compliance with its rules documentation submitted by a seasonal mobile home park that substantially similar provisions regarding matters of safety required by another government agency had been met. (Not adopted)

HOUSE AMENDMENT "B" (H-480) unsuccessfully attempted to do the same as HOUSE AMENDMENT "D" and HOUSE AMENDMENT "C" (H-531) would have added a fiscal note to the original bill. (Not adopted)
