This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. S-95**SUMMARY**

This bill increased the market area around an off-track betting parlor from a 35-mile radius to a 50-mile radius. A proposed off-track betting parlor was required to obtain approval from an existing parlor if the proposed parlor was located within the market area of the existing parlor.

The bill also reduced the amounts payable by an off-track betting parlor to the Sire Stakes Fund, the Agricultural Stipend Fund, the General Fund, the Harness Racing Promotional Fund and purse supplements in any week in which the total wagers made at the parlor were less than \$100,000.

Finally, the bill granted a credit toward required payments to parlors that lost money in calendar year 1994, as determined by audited financial statements.

COMMITTEE AMENDMENT "A" (S-95) replaced the bill. The amendment removed the bill's proposed increase in the required distance between off-track betting parlors, eliminated the credit toward required payments to parlors that lost money in 1994, and made the commission reductions available only to off-track betting parlors licensed and open before January 1, 1995, located in areas of 50,000 or fewer people.

The commissions were reduced to 20% of the original commission for the first \$40,000 of wagers per calendar week, 60% of the original commission for the second \$40,000 of wagers per calendar week, and 100% of the original commission for any wagers in excess of \$80,000 per calendar week. A repeal provision and fiscal note were also added to the bill.

SENATE AMENDMENT "A" TO COMMITTEE AMENDMENT "A" (S-156) removed payments to the General Fund from the list of payments reduced by the reduced payment formula.
