SUMMARY OF LEGISLATION BEFORE THE JOINT STANDING COMMITTEES

AUGUST 1995

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, <u>History and Final Disposition of Legislative Documents</u>, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. SUMMARY

This bill clarifies that the procedure for the discharge of certain mortgages does not apply if the holder of the mortgage is a credit union authorized to do business in the State. Under current law, "credit union" is not included in the definition of "financial institution" under the banking code except under limited circumstances. This bill clarifies that credit unions holding mortgages are to be treated on an equal basis as are other financial institutions under state law.

COMMITTEE AMENDMENT "A" (S-54) adds a fiscal note to the bill.
