AUGUST 1995

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. Various categories of final action are abbreviated as follows:

AMENDMENTS ADOPTED

SUMMARY

This bill makes several changes to the Uniform Interstate Family Support Act, which in general addresses the problems of securing and enforcing child and spousal support when the parents do not live in the same state. It provides procedures for enforcement of support orders issued in states other than Maine, as well as procedures to initiate actions when an obligee lives in Maine and the obligor lives elsewhere.

LD 781 An Act Protecting a Citizen's Right of Petition under the Constitution

AMENDMENTS ADOPTED
H-300

SUMMARY

This bill addresses Strategic Litigation Against Public Participation ("SLAPP") suits. It allows a person who is exercising a right under the First Amendment to bring a special motion to dismiss all claims, counterclaims and cross claims filed against that person for apparently dilatory expense-incurring reasons or other frivolous reasons. The motion must be heard in an expedited manner. If the motion to dismiss is granted, the case can be dismissed as soon as possible.

COMMITTEE AMENDMENT "A" (H-300) gives the court discretion over whether to award attorneys fees when a special motion to dismiss is granted. This amendment also adds a fiscal note to the bill.

SENATE AMENDMENT "A" TO COMMITTEE AMENDMENT "A" (S-378) revises the fiscal note.

This bill would have made a modified version of the "English rule," that is, that the losing party in civil litigation should pay the attorney's fees of the winning party, applicable to many forms of civil litigation in Maine.
