This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. An Act to Clarify the Licensing Authority of the Board of Trustees of the Maine Criminal Justice Academy

PUBLIC 131

SUMMARY

This bill amends the general licensing board statute in the Maine Revised Statutes, Title 5 by adding the Board of Trustees of the Maine Criminal Justice Academy to the list of licensing boards that may consider convictions for misdemeanors involving sexual misconduct in connection with an application for certification by a law enforcement or corrections officer.

The bill allows the Board of Trustees to consider that type of conviction if it occurred within 10 years prior to the application for certification.

The bill amends the present law that requires municipalities and counties to report law enforcement officers who resign or are dismissed as a result of a conviction for crime to the Director of the Maine Criminal Justice Academy. The bill requires the chief administrative officer of an employing agency to report a conviction or conduct that could result in suspension or revocation of a law enforcement or corrections officer's certificate. The requirement that the director keep a list of law enforcement officers convicted of crimes is removed because that information is available through the State Bureau of Identification.

LD 802 An Act to Amend the General Sentencing Provisions

SUMMARY

The purpose of this bill is to enhance the sentencing classes concerning criminal penalties for hate crimes. The legislation is modeled after the Wisconsin law upheld by the United States Supreme Court in Wisconsin v. Mitchell, 113 S.Ct. 2194 (1993).

COMMITTEE AMENDMENT "A" (H-204) replaces the original bill. The amendment emphasizes that courts may take into consideration, as a factor leading to enhancement of sentences, that a crime was motivated by the minority status of the victim. This amendment does not affect the authority of courts to rely on other factors in deciding upon appropriate sentences. Instead, this amendment only emphasizes the importance of the factor of selecting victims because of their membership in a minority.
