SUMMARY

This bill would have exempted nonresident snowmobile owners from sales or use taxes.

COMMITTEE AMENDMENT "A" (H-375) replaces the bill and adds an emergency preamble and an emergency clause.

Beginning on July 1, 1995, this amendment increases the fee for nonresident snowmobile registration and exempts nonresidents from sales and use taxes on snowmobiles. Requirements that snowmobile registration agents collect and send forms proving exemption from sales and use taxes to the Commissioner of Inland Fisheries and Wildlife are repealed. Increased revenues from the higher nonresident registration fee are dedicated to the Snowmobile Trail Fund within the Department of Conservation.

This amendment creates a 3-day nonresident snowmobile registration for \$35, a 10-day nonresident snowmobile registration for \$50 and a seasonal nonresident snowmobile registration for \$60. The amendment makes it easier for nonresidents to register snowmobiles by requiring that the commissioner use the same criteria to select nonresident snowmobile registration agents as are used to select nonresident fishing license agents.

The amendment also increases that portion of the nonresident snowmobile registration fee that is credited to the General Fund from \$10.75 per registration to \$15 per registration.

The amendment also adds a fiscal note to the bill.

HOUSE AMENDMENT "A" TO COMMITTEE AMENDMENT "A" (H-410) clarifies that snowmobiles purchased in this State by nonresidents are not subject to sales or use taxes. This amendment also strikes the fiscal note and replaces it with a corrected version.
