This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. SUMMARY

This bill is intended to ensure the solvency of the Unemployment Compensation Fund by reducing benefits and continuing an employer surtax. Benefits are reduced by reducing the maximum weekly benefit amount by 6% from October 29, 1995 to May 31, 1997 and by reducing the weekly benefit amount by \$3 for all new claims filed from April 1, 1995 to December 31, 1997. A surtax on employers of 4/10 of 1% of covered wages is imposed for 1995, 1996 and 1997. The bill is based on recommendations of the state advisory council appointed by the Commissioner of Labor. The bill also repeals the repeal date for the alternate base period for determining eligibility for unemployment benefits and the repeal date for the dislocated workers benefits program. The committee amendment adds a fiscal note to the bill.

LD 868 An Act to Amend the Substance Abuse Testing Law

PUBLIC 344

SPONSOR(S)	COMMITTEE REPORT		AMENDMENTS ADOPTED
BAILEY	OTP-AM	MAJ	H-420
	OTP-AM	MIN	H-485 JOY

SUMMARY

On January 1, 1995, new federal regulations mandated that all commercial vehicle drivers and certain employees in the railroad, airline and mass transportation industries be tested for drug and alcohol abuse. The original bill exempted commercial drivers subject to the regulations promulgated by the Federal Highway Administration from the State's substance abuse testing law.

COMMITTEE AMENDMENT "A" (H-420) replaces the original bill entirely. It exempts municipalities and other political subdivisions of the State from the requirement that an employer with more than 20 full-time employees pay half the costs of rehabilitation prior to taking any disciplinary action against an employee for a confirmed positive test result.

HOUSE AMENDMENT "A" to COMMITTEE AMENDMENT "A" (H-485) provides that an employer who has tested an employee because of federal drug testing requirements is also exempt from the requirement to pay for 1/2 the cost of rehabilitation.
