This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. LD 967 An Act to Amend the Adult Protective Services Act to Allow Referrals of Cases of Abuse, Neglect and Exploitation to Law Enforcement Agencies PUBLIC 183

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
TREAT	OTP	

SUMMARY

Currently, the Adult Protective Services Act allows the State's adult protective services programs to make referrals of cases of abuse, neglect and exploitation to district attorneys for investigation and legal action. The purpose of this bill is to streamline that referral process. In some counties, police and sheriff's departments actually do the investigation rather than the district attorney's office, and an initial referral to the district attorney might delay action by law enforcement agencies. This bill allows the state agencies within the Department of Human Services to make referrals to the appropriate law enforcement agency.
