S-379 HANLEY**SUMMARY**

This bill provides that a currently licensed nursing facility that offers inpatient hospice services is eligible for continued licensure as a hospice if certain conditions are met.

COMMITTEE AMENDMENT "A" (H-649) replaces the bill. It extends from January 1, 1996 to July 1, 1996 the time period for Clover Hospice to become Medicare-certified. It requires all hospice programs except volunteer hospice programs to become Medicare-certified and meet Medicare requirements. It requires the Department of Human Services to adopt rules for the operation of inpatient hospice programs and principles of reimbursement under Medicaid for inpatient hospice services within 60 days of the effective date of this amendment. The department shall reimburse for inpatient hospice services effective 30 days after adoption of the rules. From the effective date of the amendment until June 30, 1996 the rules and principles must provide reimbursement for the inpatient hospice program known as Clover Hospice if it meets the requirements of Medicare except the requirements of percentage of services provided on an in-home basis. Beginning July 1, 1996 all Medicare requirements must be met and the programs must be Medicare-certified.

The amendment also adds an appropriation section and a fiscal note to the bill.

HOUSE AMENDMENT "A" (H-652) to the committee amendment clarifies that reimbursement is under the Medicaid program.

COMMITTEE AMENDMENT "A" (H-255) clarifies the limitations on access to areas outside of Alzheimer's special care program areas. It expands the type of entities meeting the definition of offering Alzheimer's programs. It provides for disclosure of information to guardians or other responsible parties. It adds to the information that must be disclosed a description of security measures. It also adds a fiscal note.
