This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. COMMITTEE AMENDMENT "A" (H-397) adds a provision to the bill that restores \$1,877,937.42 in federal impact aid funds to school units in fiscal year 1995-96. No new dollars will be needed because the fiscal year 1994-95 ending balance in the general purpose subsidy account for public schools is expected to be sufficient to make these payments. The amendment also adds a fiscal note to the bill.
