SUMMARY OF LEGISLATION BEFORE THE JOINT STANDING COMMITTEES

AUGUST 1995

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, <u>History and Final Disposition of Legislative Documents</u>, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. Various categories of final action are abbreviated as follows:

S-150

SUMMARY

This bill amends the current law governing municipal zoning by allowing a local zoning board to grant a zoning variance for persons with disabilities who use the property, instead of limiting the variance to persons with disabilities living on the property. The bill also repeals the requirement of a municipality to hold a public hearing prior to approval of a community living facility.

COMMITTEE AMENDMENT "A" (S-150) replaces the original bill. The amendment clarifies that variances for accessibility purposes are limited to the dwelling and for a person who resides in or regularly uses the dwelling. Section 2 of the bill is removed, which would have repealed the public hearing requirement prior to approval of a community living facility.
