***Summary Of Legislation Before The Joint Standing Committees  
June 1996***

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills.

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

<i>CARRIED OVER</i> .....	<i>Bill carried over to Second Session</i>

**LD 1056**

**Resolve, to Create an Advisory Committee to Assist in the Management of State Employee Workers' Compensation Costs**

RESOLVE 63

<u>Sponsor(s)</u>	<u>Committee Report</u>		<u>Amendments Adopted</u>
HARRIMAN	OTP-AM	MAJ	H-743
	ONTP	MIN	S-420

LD 1056, which was carried over from the First Regular Session, proposed to create an advisory committee to review the current method of funding workers compensation costs for state employees and make recommendations to the Governor and the Legislature on the best way to fund those costs consistent with fiscal responsibility, efficiency and public accountability. The proposal required the advisory committee to report its recommendations before the Second Regular Session of the 117th Legislature. The original title of LD 1056 was "Resolve, to Create an Advisory Committee to Assist in the Funding of State Employee Workers' Compensation Claims."

**Committee Amendment "A" (S-420)**, the majority report, proposed to replace the entire bill and change the focus of the advisory committee from workers' compensation funding issues to the State's management of its return-to-work and safety programs. The membership of the advisory committee would have increased from 9 to 12 members and experience in workplace safety and return-to-work programs would have been required for certain members. The amendment required the first meeting to be called by September 15, 1996 and at that meeting the Department of Administrative and Financial Services, Bureau of Human Resources would be required to report on the programs that the State has in place and the steps that have been taken to improve the State's management of its workers' compensation costs. The proposal required the advisory committee to report to the Governor and the legislative committees having jurisdiction over labor matters and state and local government matters by February 1, 1997. The amendment also added a fiscal note to the bill.

**House Amendment "A" to Committee Amendment "A" (H-743)** proposed that the first meeting of the advisory committee be called by the Chair of the Legislative Council.

*Enacted law summary*

Resolve 1995, chapter 63 creates an advisory committee to review the State's management of its return-to-work and safety programs. The Governor, the President of the Senate and the Speaker of the House of Representatives each appoint 4 of the 12 members of the committee. The Resolve specifies the affiliation or experience expected for each member. The first meeting must be called by the Chair of the Legislative Council by September 15, 1996 and at that meeting the Department of Administrative and Financial Services, Bureau of Human Resources is required to report on the programs that the State has in place and the steps that have been taken to improve the State's management of its workers' compensation costs. The advisory committee must report its recommendations to the Governor and the legislative committees having jurisdiction over labor matters and state and local government matters by February 1, 1997.
