This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. This bill reflects the original intent of the Legislature that the State become responsible for physically restrictive juvenile detention when the Northern Maine Regional Juvenile Detention Facility begins operation. Its purpose is to make it explicit that when a court has determined that a juvenile is to be detained as an adult, the detention will, as it is now, remain the responsibility of the counties.

ONTP**AMENDMENTS ADOPTED****SUMMARY**

The purpose of this bill was to provide maximum safety for all persons who travel on or otherwise use the public ways by removing immediately from public ways those persons who have shown themselves to be an extreme safety hazard by committing a 2nd or subsequent operating-under-the-influence offense, while ensuring that a person whose license was automatically suspended pursuant to this bill was afforded due process of law.

LD 1072 An Act to Provide a Specific Formula to Determine Restitution of Economic Loss

ONTP**AMENDMENTS ADOPTED****SUMMARY**

This bill would have provided a specific formula to determine the economic loss of a victim and would have required the court to order restitution based upon that formula. This bill would have removed the discretion of the court to consider the financial hardship on the offender or dependent of the offender.

If the offender were a minor, the parents would have been required to pay the restitution.

This bill also would have required the court to suspend the entire sentence of incarceration of an offender of a nonviolent crime if the offender paid restitution.

LD 1087 An Act Concerning Concealed Firearms Permits

ONTP

PENDEXTER**COMMITTEE REPORT**
ONTP**AMENDMENTS ADOPTED****SUMMARY**

This bill would have changed the current law by requiring either the chief law enforcement officer of a municipality or, if there is no chief law enforcement officer, the Chief of the State Police to investigate an applicant for a concealed firearms permit. If the investigating officer determined that the applicant met all the necessary criteria, the issuing authority would have then had to issue the permit to the applicant.
