**SUMMARY OF LEGISLATION BEFORE  
THE JOINT STANDING COMMITTEES**

**AUGUST 1995**

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. Various categories of final action are abbreviated as follows:

- B. A plan to achieve retail competition wherever effective competition is likely and to maintain regulation in areas where necessary.

The plans must be accompanied by detailed critiques based on certain issues and the commission shall identify the plan it believes to be in the best interests of the State. The commission shall incorporate in its plans all portions of any plan developed by the work group on which the work group reached agreement. The commission shall submit its report to the Legislature by January 1, 1997;

4. Establishes a list of issues that must be examined by the work group and the commission. This list of issues was developed in tandem with another list that has come to be known as the "Ad Hoc Committee List." The Ad Hoc Committee List includes a considerable number of issues identified by various stakeholders and is organized around the 11 issues identified in this resolve. This list provides a more complete compilation of the issues raised by electric industry restructuring and constitutes an important part of the legislative history of this resolve;
5. Authorizes the joint standing committee of the Legislature having jurisdiction over utilities matters to report out legislation to the First Regular Session of the 118th Legislature on electric industry restructuring;
6. Establishes that none of the findings of the commission has legal effect;
7. Adds an emergency preamble and an emergency clause to the resolve; and
8. Adds an appropriation section and a fiscal note to the resolve.

**LD 1084      Resolve, to Require Development of Energy Plans**

ONTP

**SPONSOR(S)**

**COMMITTEE REPORT**

**AMENDMENTS ADOPTED**

ONTP

**SUMMARY**

This resolve was the unanimous recommendation of the Commission on the Future of Maine's Paper Industry. It was one of 4 bills submitted by that commission.

The resolve proposed to direct the State Planning Office to take the following actions:

1. To prepare recommendations that result in a decrease of the State's high energy and electric costs;
2. To prepare recommendations to reduce the costs of and simplify hydroelectric dam licensing; and
3. To form a commission to develop a plan to increase the availability of natural gas in the State.
