This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. PUBLIC 320

SPONSOR(S)	COMMITTEE REPORT		AMENDMENTS ADOPTED
MITCHELL EH	OTP-AM	MAJ	H-400
	ONTP	MIN	

SUMMARY

This bill allows teachers to renew a professional certificate that has expired more than 5 years by completing 12 credits of approved study and meeting current entry level standards for that certificate.

COMMITTEE AMENDMENT "A" (H-400) allows teachers with professional certificates that have lapsed more than 5 years or with provisional certificates issued prior to July 1, 1988 that have lapsed more than 5 years to be granted provisional teaching certificates provided they have recently completed 6 credit hours of approved study and have met entry level requirements. The bill requires teachers in these 2 categories to complete 12 credit hours of approved study.

The bill repeals the requirement that teachers granted provisional certificates work with a support system. The amendment retains that provision.

This amendment also adds a fiscal note to the bill.
