This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. SUMMARY

This bill increases the percentage of gasoline tax available to the Bureau of Parks and Recreation's Snowmobile Trail Fund and to the Department of Inland Fisheries and Wildlife from .5% to .75% of the total excise tax on internal combustion engine fuel sold within the State, not including internal combustion engine fuel used in the propulsion of aircraft. The increased funds will be used to provide additional grants to snowmobile clubs and municipalities for the development and maintenance of snowmobile trails.

This bill allocates .25% of the total excise tax on internal combustion engine fuel sold or used within the State, not including internal combustion fuel sold for use in the propulsion of aircraft, to the ATV Recreational Management Fund administered by the Bureau of Parks and Recreation.

COMMITTEE AMENDMENT "A" (H-297) adjusts the allocations to the Department of Conservation, includes appropriations to the Department of Inland Fisheries and Wildlife and strikes the provision in the bill that would have established a half-time position within the Department of Conservation. The appropriation is necessary to comply with the provisions of the Maine Revised Statutes, Title 36, section 2903-B, which requires that 10% of the allocations to the Snowmobile Trail Fund be directed to the Department of Inland Fisheries and Wildlife.

SENATE AMENDMENT "A" TO COMMITTEE AMENDMENT "A" (S-370) adjusts the allocations to the Department of Conservation.
