This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. COMMITTEE REPORT
OTP-AM

AMENDMENTS ADOPTED
H-467 PINKHAM

SUMMARY

The bill would have provided that the mandatory suspension provisions in current law for a person who is convicted 2 or more times of possessing short lobsters, and the 2nd or subsequent offense involved three or more short lobsters, apply only to persons whose first offense of possessing short lobsters occurred after July 14, 1994, the date the mandatory license suspension took effect.

The bill would have also allowed a person whose license is suspended for possession of short lobsters to request a hearing by the Commissioner of Marine Resources. Following that hearing, the commissioner could have decided to reinstate the suspended license.

The bill would have also directed the Commissioner of Marine Resources to hold a hearing on any license suspended under the short lobster law between the date it took effect and the effective date of this bill.

HOUSE AMENDMENT "B" (H-467) replaces the bill. It changes the mandatory suspension to include a minimum suspension of one year and no more than 3 years for a 2nd offense and a suspension of 3 years or a permanent license revocation for a 3rd or subsequent offense if the conviction for the 3rd or subsequent offense involves the possession of 3 or more short lobsters. It also makes the law applicable to convictions that occurred after July 1, 1994. It also adds a fiscal note to the bill.

The provisions would have been repealed on January 1, 1999, which is also the repeal date of the Maine Revised Statutes, Title 12, chapter 623, subchapter II-C, article 3, which prohibits through 1998 the issuance of urchin licenses to persons not holding licenses the previous calendar year.
