ONE HUNDRED AND SEVENTEENTH LEGISLATURE FIRST REGULAR SESSION

SUMMARY OF LEGISLATION BEFORE THE JOINT STANDING COMMITTEES

AUGUST 1995

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, <u>History and Final Disposition of Legislative Documents</u>, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. Various categories of final action are abbreviated as follows:

SUMMARY

Under current law the Washington County budget is finalized by the county commissioners following input from the county budget advisory committee and the county legislative delegation. This bill requires the county commissioners to present budget recommendations to the county legislative delegation following input from the budget advisory committee. The legislative delegation has final authority for approval of the county budget. This bill has been carried over to the Second Regular Session.

SUMMARY

Public Law 1993, chapter 410 transferred the funding and positions of the Office of Geographic Information Services from the Department of Conservation to the Division of Data Processing within the Bureau of Information Services. This bill removes the statutory language specific to the office from the Department of Conservation and reestablishes it, with minor revisions, within the Bureau of Information Services.

SUMMARY

This resolution proposes a Constitutional amendment to abolish the Senate and the House of Representatives and replaces them with a unicameral Legislature made up of 101 members. This reduction requires a reapportionment plan by the Legislature that convenes in December 2000, so that the Legislature elected in November 2002 is unicameral.

SUMMARY

This bill requires the Director of the Bureau of General Services or any department or agency of the State purchasing goods or services through competitive bidding to take into consideration the importance of hiring and training resident workers and documented attempts by a bidder to hire and train both men and women.

COMMITTEE AMENDMENT "A" (S-213) replaces the original bill. The committee amendment directs the Director of the Bureau of General Services or any other state agency when determining the lowest bidder to increase the bid of a nonresident bidder by a percent equal to the percent, if any, of the preference given to that bidder in the state in which the bidder resides. The amendment also adds a fiscal note to the bill.
