COMMITTEE AMENDMENT "A" (S-331) makes several technical changes to the bill. It clarifies the distinction between commercial driver education school and noncommercial driver education school. It clarifies that a licensed driver education teacher or instructor is authorized to teach driver education as an employee or affiliate of a licensed driver education school. #### SUMMARY

This bill proposed a referendum for voters to approve widening of the Maine Turnpike.

COMMITTEE AMENDMENT "A" (S-282) allows widening of the Maine Turnpike to 3 lanes for each direction of travel from Exit 1 to, and including, Exit 6A. It requires the Maine Turnpike Authority to complete an evaluation of alternatives by December 15, 1996 and specifies that evaluating the alternatives listed satisfies the requirements for alternative evaluation under the Sensible Transportation Policy Act and rules adopted under the Act. It allows a state agency to issue a permit or license for the widening if the completed evaluation indicates alternatives will not meet the identified need.

It requires the Maine Turnpike Authority to submit an interim report on the alternatives evaluation no later than January 15, 1996. It allows the authority to submit legislation no later than January 15, 1996 to authorize the issuance of revenue bonds to pay for the widening.
