This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. Various categories of final action are abbreviated as follows:

SUMMARY

This bill allows the Department of Corrections to have the Maine Youth Center's physician and any other individual medical personnel with whom the department contracts to provide medical care at a departmental facility to be deemed an employee of a governmental entity for purposes of civil liability. This does not cover medical personnel providing medical care to clients, including prisoners, outside a departmental facility, nor does it cover medical personnel providing medical care within a facility as part of a contract with a prison health care agency, hospital or other group medical provider.

COMMITTEE AMENDMENT "A" (H-294) adds a fiscal note to the bill.

LD 1320 An Act to Amend the Law Pertaining to Grievance Procedures Concerning Discrimination on the Basis of Disability PUBLIC 318

SPONSOR(S) **COMMITTEE REPORT** **AMENDMENTS ADOPTED**
BUSTIN OTP-AM S-246

SUMMARY

This bill updates the grievance procedure concerning discrimination on the basis of disability by adding an applicable federal regulation.

COMMITTEE AMENDMENT "A" (S-246) replaces the bill. It repeals the duty of the Commissioner of Human Services to establish a grievance procedure concerning discrimination within State Government on the basis of disability. The Commissioner of Education currently is responsible for administering the Rehabilitation Act. This amendment adds to that responsibility the duty to establish, by rule, a grievance procedure to handle claims of discrimination based on disability. It contains the new references to the Code of Federal Regulations adopted since the Americans with Disabilities Act was enacted. The amendment also adds a fiscal note to the bill.

LD 1321 An Act to Suppress the Release of Medical Records of Persons with Disabilities ONTP

SPONSOR(S) **COMMITTEE REPORT** **AMENDMENTS ADOPTED**
BUSTIN ONTP

SUMMARY

This bill would have imposed a civil penalty of not more than \$500 on individuals who knowingly violate the confidentiality provisions regarding the medical records of persons with disabilities. The bill was voted ONTP without a public hearing at the request of the sponsor.
