AMENDMENTS ADOPTED

SUMMARY

This bill amends the laws regarding HIV testing. If a victim of a crime or an alleged crime involving a sexual act, as defined in the Maine Revised Statutes, Title 17-A, section 251, requests an HIV test, a health care facility that performs HIV tests must offer the required pretest counseling and perform the test. This bill requires an alleged or convicted perpetrator of crimes involving a sexual act to undergo HIV testing if requested by the victim and if there is good cause to believe that the victim may have been exposed to the blood or body fluids of the perpetrator.
