This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. AMENDMENTS ADOPTED
H-479

SUMMARY

The original bill established information requirements for summons in forcible entry and detainer actions.

COMMITTEE AMENDMENT "A" (H-479) accomplishes the intent of the original bill to make the forcible entry and detainer process effective against all occupants if the landlord names as parties the persons the landlord has acknowledged as tenants. The amendment provides that the process is effective against all occupants if the landlord names as parties "all other occupants," along with all adults whose names are on the lease or whom the landlord has otherwise acknowledged as tenants. The amendment relocates the language specifying who must be named as a party so that it follows the listing of who may be subject to the eviction process. This avoids unnecessarily repeating requirements contained in the Maine Rules of Civil Procedure.
