COMMITTEE AMENDMENT "A" (H-344) adds one additional legislative member and one person representing the Maine State Bar Association to the list of members of the Commission to Study Trespass Laws. The amendment also strikes that section of the bill requiring the commission to raise outside revenue and changes the reporting date from January 1, 1996 to December 1, 1995. Members of the commission serve without compensation, except that legislative members are entitled to reimbursement of expenses.

SENATE AMENDMENT "A" TO COMMITTEE AMENDMENT "A" (S-387) removes the appropriation and provides that legislative members are entitled to actual expenses paid from funds of the Department of Inland Fisheries and Wildlife.

SUMMARY

This is the "Omnibus" bill of the Department of Inland Fisheries and Wildlife.

As amended by COMMITTEE AMENDMENT "A" (S-311) the bill:

1. Repeals the 2 free fishing days allowed under current law;
2. Makes certain changes necessary to satisfy requirements of the federal migratory bird harvest information program. These changes include authorizing the Commissioner of Inland Fisheries and Wildlife to adopt rules regulating the reporting procedures of persons appointed to sell hunting licenses; establishing procedures whereby persons may become certified to hunt migratory game birds; and making it unlawful to hunt migratory game birds without first being certified to do so;
3. Prohibits live bait dealers from taking multiple limits of smelts from waters governed by general rules in order to attain the 8-quart limit that they are allowed in specifically designated waters;
4. Prohibits smelt wholesalers from transporting from an inland water source to their place of business more than 8 quarts of live smelts;
5. Specifies that the business facility of any person licensed to deal in live smelts and baitfish means a fixed place of business and not a motor vehicle or trailer. Live smelts and baitfish being held by a dealer in a motor vehicle or trailer come under the same regulations as for the transporting of smelt and baitfish, even if the vehicle or trailer might be temporarily positioned at a specific site to aid the dealer in selling live smelts and baitfish to the public;
