This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. AMENDMENTS ADOPTED
H-518

SUMMARY

The resolve establishes a study commission to study options for ensuring the long-term health of the dairy industry in the State. The commission will analyze other strategies, besides direct subsidies, for keeping Maine dairy farms in business.

COMMITTEE AMENDMENT "A" (H-518) increases from 5 to 13 the number of members of the Commission to Study Options for Preserving the Dairy Industry in the State. It also specifies the commission's membership.

The amendment also allows the commission to study any relevant topic upon a majority vote of the commission. It changes the reporting date from November 15, 1995 to December 15, 1995. The amendment also increases from \$5,000 to \$8,000 the amount of money to be transferred from the Maine Dairy Farm Stabilization Fund to the Legislature for the purpose of funding the study.

The amendment provides \$10,000 to the Northeast Interstate Dairy Compact Committee for the purpose of encouraging approval by the United State Congress of the Northeast Interstate Dairy Compact.

The amendment also adds a fiscal note to the resolve.

LD 1452 An Act to Ban the Sale, Breeding or Possession of Canine Hybrids

ONTP

COMMITTEE REPORT
ONTP

AMENDMENTS ADOPTED

SUMMARY

The bill would have prohibited the sale, breeding or possession of canine hybrids, including wolf dogs and coydogs. It would have grandfathered ownership of those canine hybrids already in the State and the sale of canine hybrid offspring of a canine already pregnant on the effective date of the bill. An owner of a grandfathered canine hybrid would have been required to sign an affidavit acknowledging the experimental nature of the use of the canine rabies vaccine on canine hybrids and file the affidavit with the municipal clerk upon obtaining a dog license. All other laws applicable to dogs would have been applicable to those canine hybrids that are in the State.
