SUMMARY

This bill has been carried over to the second regular session. The bill changes the budget process in Kennebec County by removing the requirement that the budget be submitted to the Legislature for approval and by allowing the county commissioners to change the budget submitted by the budget advisory committee, but only by a unanimous vote. The bill also changes the terms of the Kennebec County commissioners to unstagged 2-year terms. The bill also requires tax bills issued in Kennebec County to state the portion of taxes being raised by the municipality for Kennebec County and identifies the Kennebec County commissioners.
