This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries. The publication, History and Final Disposition of Legislative Documents, is helpful in determining to which committee any particular bill was referred.

In this document, the committee report or reports, the prime sponsor for each bill and the lead co-sponsor in each house if one has been designated are listed below each bill title. All adopted amendments are listed, by paper number, together with the sponsor for floor amendments. Final action on each bill is listed to the right of the title. AMENDMENTS ADOPTED
H-579

SUMMARY

This bill is a technical bill to remove archaic language from the charter of the Corinna Water District. The bill also exempts any state funds the Corinna Water District may receive from the Department of Environmental Protection from investigation by the Public Utilities Commission except when the Department of Environmental Protection requests investigation.

COMMITTEE AMENDMENT "A" (H-579) adds an emergency preamble, emergency clause and mandate preamble to the bill. The amendment also adds a new section increasing the debt limit of the Corinna Water District from \$500,000 to \$1,000,000. This increase in the debt limit is made contingent upon referendum approval by the voters in the district. This amendment also adds a fiscal note.
