***Summary Of Legislation Before The Joint Standing Committees  
June 1996***

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills.

**Senate Amendment "A" To Committee Amendment "A" (S-578)** proposed to remove the appropriation and allocation sections in Committee Amendment "A" since funding was provided in L.D. 1759 (the supplemental budget), enacted as Public Law 1995, chapter 665.

*Enacted law summary*

Public Law 1995, chapter 687 comprises the provisions of Committee Amendment A and Senate Amendment A. It requires the Department of Human Services to adopt rules to begin using a 2nd assessment standard for persons with Alzheimer's disease and other dementias. The department will begin using these new assessment standards in addition to the MED'94 by May 1, 1996. Nursing facilities accepting persons found eligible using this assessment tool will be required to train personnel in Alzheimer's disease and other dementias immediately in order to qualify for reimbursement from the State. By July 1, 1997, the department will adopt standards for treatments, services and settings to meet the needs of individuals who have Alzheimer's disease and other dementias.

The Department of Human Services is required to report to the Joint Standing Committee on Health and Human Services by January 15, 1997, on the extent to which the supplemental assessment tool has expanded medical eligibility for nursing facility care to include persons with Alzheimer's disease or similar dementias.

Public Law 1995, chapter 687 takes effect April 11, 1996.

LD 1731 proposed to make the following changes to the laws regulating mass outdoor gatherings:

1. Provide that for the purpose of determining whether a gathering is a mass outdoor gathering, a person staying, camping or otherwise temporarily residing on property next to the property of the gathering is considered to be attending the gathering;
2. Establish a process for the issuance of a mass outdoor gathering permit, including the requirement that an application for a permit be submitted no later than 120 days before the gathering; and
3. Provide that the requirement for a bond does not preclude a person from obtaining personal liability insurance for the gathering.

**Committee Amendment "A" (S-479)** is the Minority Report. It proposed to shorten from 120 days in the bill to 60 days the time period for submitting a mass gathering permit application and shorten in proportion the time periods for response, resubmission and decision. (Not adopted.)
