***Summary Of Legislation Before The Joint Standing Committees
June 1996***

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills.

Committee Amendment "A" (H-747) proposed to exempt taxi drivers from the responsibility of having paying passengers use a seatbelt. It proposed amending the language in the original bill to clarify that the rural postal carrier is exempt from the seatbelt provision requiring the operator of a motor vehicle to be buckled.

House Amendment "A" to Committee Amendment "A" (H-758) proposed amending the seatbelt law to make it a primary violation if a person age 4 through 18 years of age is not secured in a seat belt.

Enacted law summary

Public Law 1995, chapter 597 exempts rural postal carriers from the seat belt provision requiring the operator of a motor vehicle to be buckled. It exempts taxi drivers from the responsibility of having paying passengers use a seat belt. It allows primary enforcement of the seatbelt law for persons age 4 through 18.

LD 1782 **An Act to Create the Motor Carrier Training Advisory Board** PUBLIC 605

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	H-748 H-807

LD 1782 proposed creation of the Motor Carrier Training Advisory Board to advise the Secretary of State on matters relating to advanced commercial driver training and continuing education. The bill also proposed adding a member to the Secretary of State's driver education technical review panel to represent the motor carrier industry.

Committee Amendment "A" (H-748) proposed establishing the Motor Carrier Training Advisory Board within the Department of the Secretary of State rather than the Department of Transportation. It proposed altering the board's membership to include a commercial driver, an additional member of the public, and a member of the joint standing committee of the Legislature having jurisdiction over transportation matters. It proposed changing the term served from 2 years to 3 years for each member and staggering initial terms.

House Amendment "A" to Committee Amendment "A" (H-807) proposed that the member of the Motor Carrier Training Advisory Board who is a member of the joint standing committee of the Legislature having jurisdiction over transportation matters be appointed jointly by the President of the Senate and the Speaker of the House of Representatives rather than by the chairs of that committee.

Enacted law summary

Public Law 1995, chapter 605 creates the Motor Carrier Training Advisory Board within the Department of the Secretary of State and adds a member representing the motor carrier industry to the Secretary of State's driver education technical review panel.
