**Summary Of Legislation Before The Joint Standing Committees  
June 1996**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills.

LD 1807 proposed to exempt the remuneration paid to some direct sellers from unemployment insurance contributions under the Employment Security Law so that it would not be used to establish coverage for unemployment insurance. The proposed change was intended to exempt individual distributors such as Mary Kay, Avon, Amway and Tupperware. The proposal would not have exempted sellers of major renovations or improvements to the structure of a home, business or property.

**Committee Amendment "A" (H-781)** proposed to add an emergency preamble, an emergency clause and a fiscal note to the bill.

***Enacted law summary***

Public Law 1995, chapter 612 provides that services performed by certain direct sellers are not considered employment for the purposes of unemployment insurance taxes and benefit eligibility. Chapter 612 specifically refers to the definition of direct sellers provided in federal law and explicitly states that the exemption does not extend to sellers of major renovations or improvements to the structure of a home, business or property.

Chapter 612 was enacted as an emergency measure effective April 3, 1996.

2. It provided for the possibility that a member may have more than one former spouse.
