SECOND REGULAR SESSION**

**Summary Of Legislation Before The Joint Standing Committees
June 1996**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills.

The bill proposed to change the reporting due dates, penalty provisions and appeal periods to facilitate the integration of these 2 processes.

Committee Amendment "A" (S-520) proposed to add a fiscal note to the bill.

Senate Amendment "A" to Committee Amendment "A" (S-584) proposed to remove the fiscal note from the bill and add a new one.

Enacted law summary

Public Law 1995, chapter 657 amends a number of provisions related to the employment security laws and the tax laws to enable the collection of unemployment contributions and income tax withholding on a single form. Reporting and payment due dates are set as the last day of the month following the close of the calendar quarter for both unemployment and income tax withholding reports. Late filing penalties are set at the greater of \$25 or 10% of the amount due, rather than separate penalties for each tax. Late payment penalties for unemployment are set at 1% of the amount unpaid for each month in arrears up to a maximum of 25%, which matches the income tax withholding late payment penalties. Chapter 657 also makes the provisions on waivers or abatements of penalties consistent and establishes a 30 day appeal period for both unemployment and income tax withholding determinations. The confidentiality statute applicable to income tax withholding is also modified to allow the Department of Labor access to the information related to unemployment insurance.
