ONE HUNDRED EIGHTEENTH LEGISLATURE FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 2

An Act to Clarify Municipal Review and Enforcement of Sludge Spreading and Storage Permits

PUBLIC 38

Sponsor(s)	Committee Report	Amendments Adopted
LIBBY	OTP-AM	S-30

LD 2 proposed to allow municipalities to enact standards stricter than state standards regulating sewer or septic sludge as long as they comply with state law regarding the disposal of solid waste created within the municipality.

Committee Amendment "A" (S-30) proposed to replace the bill and change the title. The amendment proposed to expand municipal authority to allow municipalities to enforce the terms and conditions of sludge land application or storage site permits issued by the Department of Environmental Protection, and it proposed to require that a municipality notify the department prior to enforcing a septage or sludge permit.

The amendment also proposed to require the department to consult with the municipal officers prior to approving an application for a sludge land application or storage site. It proposed to require that if the department does not impose conditions on a permit that have been suggested in writing by the municipal officers, the department must provide a written explanation.

The amendment also proposed to add a mandate preamble and a fiscal note to the bill.

Enacted law summary

Public Law 1997, chapter 38 expands municipal authority to allow municipalities to enforce the terms and conditions of sludge land application or storage site permits issued by the Department of Environmental Protection, and requires that a municipality notify the department prior to enforcing a septage or sludge permit.

The law also requires the department to consult with the municipal officers prior to approving an application for a sludge land application or storage site. If the department does not impose conditions on a permit that have been suggested in writing by the municipal officers, the department must provide a written explanation.

LD 80 An Act to Protect Internal Waters of the State

CARRIED OVER

Sponsor(s)	Committee Report	Amendments Adopted
PAIII.		

LD 80 proposes to add the criteria of environmental concerns, wildlife habitat, boat speed and traditional uses to the criteria that must be considered by the Commissioner of Inland Fisheries and Wildlife in developing rules governing the horsepower of motorboats on inland waters. This bill has been carried over to the Second Regular Session of the 118th Legislature.
