**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

DEXTER	OTP-AM MAJ ONTP MIN	H-293 H-435 DEXTER

LD 6 proposed to authorize county commissioners to simultaneously serve as commissioners on the Maine Land Use Regulation Commission without violating the common law doctrine of incompatibility of offices.

Committee Amendment "A" (H-293) proposed to expand the bill to also permit other county employees, municipal officials and municipal employees to serve on the commission. The amendment also proposed to permit the same group of officials to serve on the Board of Environmental Protection while simultaneously holding local office.

House Amendment "A" (H-435) removed the emergency preamble and emergency clause from the bill.

Enacted law summary

Public Law 1997, chapter 346 authorizes county commissioners, county employers, municipal officials and municipal employees to serve on the Maine Land Use Regulation Commission or the Board of Environmental Protection while also holding local office without violating the common law doctrine of incompatibility of offices. Under the doctrine of incompatibility of offices, a person may not hold two offices simultaneously unless that person can, in all cases, perform the duties of both without acting in conflict of interest. If a person is appointed to an office that is incompatible with one that person already holds, that person is deemed to have vacated the first office upon accepting the second.
