ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 54 proposed to authorize the Maine Arts Commission, in conjunction with the Department of Education, to establish an arts education outreach program that provides arts education to all public school students. The proposed program would also provide professional development opportunities in arts education to teachers statewide.

Committee Amendment "A" (H-349) proposed to modify the authority of the Maine Arts Commission and qualify the role of the Department of Education with respect to the establishment and administration of the arts education outreach program. The Maine Arts Commission would establish the program with the advice of the Commissioner of Education. The Department of Education would also provide the Maine Arts Commission with information, promotion, technical support, resources and personnel as necessary to administer the statewide arts education outreach program. The amendment would also add an appropriation and a fiscal note to the bill.

Senate Amendment "A" to Committee Amendment "A" (S-370) proposed to reduce the amount appropriated for the arts outreach program. It also adds a fiscal note to the bill.

LD 67 proposed to eliminate the position and office of the Chancellor of the University of Maine System, eliminate the position of president for each campus and instead provide for one president for the combined campuses. To accomplish this, the bill would have:

1. Removed the chancellor from the list of ex officio incorporators of the Board of Directors of the Maine Development Foundation;
2. Repealed the provision requiring the chancellor to present an address on the state of the University of Maine System to the Legislature;
