**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Enacted law summary

Private and Special Law 1997, chapter 9 provides for continued health insurance coverage under the state group health plan for the small number of state employees who were laid off in 1995 and 1996 within one year of the employees' normal retirement date as a result of the recommendations of the Productivity Realization Task Force. LD 96 An Act to Exempt Seasonal Golf Course Employees from the ONTP
Unemployment Compensation Laws

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BARTH FERGUSON	ONTP	

LD 96 proposed to exempt from the definition of "employment" for unemployment compensation purposes persons who work at golf courses that operate for six or fewer months a year. The seasonality exclusion will be addressed by the Commission to Study the Unemployment Compensation System, established by LD 332.

LD 101 An Act to Allow Public Safety Employees to Purchase Their ONTP
Military Time for Retirement Purposes

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
POVICH	ONTP	

LD 101 would have broadened the ability of State Police officers to purchase service credit for time spent in military service before becoming a retirement system member. Currently such military service time may be purchased only if the military service occurs during a "federally recognized period of conflict," as that term is defined by law, and all State employee and teacher members may purchase that "federally recognized period" time as well.
