**Summary Of Legislation Before The Joint Standing Committees  
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

LD 113 proposed to prohibit the recruitment or employment of professional strikebreakers. The bill defined the term "professional strikebreaking activity" so that the bill would apply only to those persons or organizations that have made a practice of supplying replacement workers during labor disputes. The proposed prohibition could be enforced through a civil action filed by any interested party. The bill would have provided that employment of replacement workers as security guards or as maintenance workers is exempt from the prohibition, as would be the employment of permanent employees who choose to work during a strike. LD 113 also proposed to repeal the current law that provides that the employment during a strike of a person who customarily and repeatedly offers services in place of a striking worker is a crime, punishable by a fine of up to \$300 or 180 days in jail, or both.

**LD 136**
