**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

BUTLANDCommittee Report
OTP-AMAmendments Adopted
S-228

LD 169 proposed that theft of rental property occurs when a person knowingly provides false identification or information to the owner of the property at the time of the rental and that theft of rental property could be presumed when the person fails to return the property within 10 days of receiving a written demand, mailed after the expiration of the rental period. This bill also would have provided an affirmative defense to theft of rental property for persons who gave accurate information at the time of the rental, failed to receive the owner's written demand and returned the property to the owner within 48 hours of the commencement of prosecution.

Committee Amendment “A” (S-228) proposed that theft of rental property could be presumed when a person fails to return the property within 5 days of receiving a written demand mailed after the expiration of the rental period. The amendment would have removed language regarding theft of rental property that specified that a person knowingly provided false identification or information to the owner at the time of the rental. The amendment further proposed to remove the affirmative defense to theft of rental property and to add a fiscal note to the bill.

Enacted law summary

Public Law 1997, chapter 319 specifies that theft of rental property may be presumed when a person fails to return the property within 5 days of receiving the owner's written demand, mailed by certified or registered mail after the expiration of the rental period.
